

Section 3 Compliance Rules Diagram

* The subrecipient/developer is responsible for ensuring that contractors follow Section 3 regulations and that appropriate Section 3 language is included in the contract even if the subrecipient's/developer's total award is less than \$200,000. This applies to all projects/activities involving housing construction, demolition, rehabilitation, or other public construction.

KEY:

Needs to comply with Section 3 requirements

Does not need to comply with Section 3 requirements
